

Hugo Newsletter | October 2018

Welcome to the fourth issue of the Hugo Newsletter! This monthly newsletter covers everything happening in the world of Hugo and static site generators. As always, we're looking for feedback. Please contact us on [Twitter](#) or email me (Ricardo@Feliciano.Tech) to tell us what you like and dislike about the newsletter so we can make it better for future issues.

It's been 5 months since our last issue. Sorry, life got in the way. We're back and have a question for you. Moving forward, how often would you like to see this newsletter sent? Keep it monthly? Weekly? [Let us know by voting](#).

Hugo Releases

v0.49 - [release notes](#)

- rssURI and Pages.Sort are deprecated
- the first function can now return an empty array
- collections can now be appended to
- tons of other stuff

the email) so we can include them for future issues.

Jobs & Services

Are you looking to hire someone to work on a static website or need a contractor? Contact us to post your listing here. Links at the bottom or reply to this email.

Notes

Again, we're considering changing the frequency in which this newsletter gets sent. If you have an opinion, vote [here](#).

This newsletter wouldn't exist without the great people who work on the Hugo project. Thank you.
