# Hugo Newsletter | February 2019

Welcome to the February issue of the Hugo Newsletter! This monthly newsletter covers everything happening in the world of Hugo and static site generators. As always, we're looking for feedback. Please contact us on Twitter or email me (Ricardo@Feliciano.Tech) to tell us what you like and dislike about the newsletter so we can make it better for future issues.

Another short newsletter and tons more Hugo themes. It's incredible the rate at which they are made. Let's keep this short. Let's Improve Hugo Docs on DocsThursday.
